Adopt A Child's Smile Program (ACSP) Eligibility Guidelines

- I. The child must be under eighteen years of age at the time of the referral or still in high school.
- II. The child must have lived in Midland County for at least one year prior to the request for assistance.
- III. The child must be living in Midland County to remain eligible for ACSP services.
- IV. The child must not receive Medicaid assistance/Healthy Kids or be covered by dental insurance (except under special circumstances).

If the child meets the top four criteria, then...

- V. An application form must be completed by the child's parent(s), guardian(s) or foster parent(s).
- VI. A commitment must be made by the child's parent(s), guardian(s) or foster parent(s) to assist the child with good oral hygiene habits. Failure to do so could result in termination from the program.

Note: Forms may be obtained by calling Safe and Sound Advocacy Center at (989) 835-9922 or by writing to:
